DETAILED ACTION

Priority

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on March 01, 2004 is being considered by the examiner.

Allowable Subject Matter

Claims 1-50 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art made of record and considered pertinent to the applicant's disclosure, taken individually or in combination, does not teach or fairly disclose a phase-change memory device as claimed, comprising: a phase-change memory cell including a volume of material; a write current source which selectively applies a first write current pulse to program the phase-change memory cell into the amorphous state and a second write current pulse to program the phase-change memory cell into the crystalline state; and a restore circuit which selectively applies the first write current pulse to the phase-change memory cell to restore an amorphous state of the phase-change memory cell.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
